Dear Rex:

Many thanks for your note of 7 December and the kind invitation to receive a briefing on your activities. I apologize for being slow in replying, but I was away for a number of weeks this fall due to a medical problem and have only just begun to get back into the full swing of things.

I would like very much to take advantage of your offer at some time immediately after the new year and to bring with me three officers on my staff- [REDACTED]

STAT

My preference would be to take up your suggestion of an entire morning and lunch and I would be glad to start at whatever hour you suggest. January 4 or 5 look like good days to me, but sometime the following week would certainly be equally acceptable. Please let me know what would be convenient.

With best wishes for a happy holiday season.

Sincerely,

(Signed) Bronson Tweedy
